Please find below and/or attached an Office communication concerning this application or proceeding.

	Application No.	Applicant(s)					
Advisory Action	10/663,137	ITAMI, AKIHIKO					
Before the Filing of an Appeal Brief	Examiner	Art Unit					
	Christopher RoDee	1756					
The MAILING DATE of this communication appe	ears on the cover sheet with the	correspondence address					
THE REPLY FILED 06 March 2006 FAILS TO PLACE THIS A	PPLICATION IN CONDITION FOR	RALLOWANCE.					
1. The reply was filed after a final rejection, but prior to or on the same day as filing a Notice of Appeal. To avoid abandonment of this application, applicant must timely file one of the following replies: (1) an amendment, affidavit, or other evidence, which places the application in condition for allowance; (2) a Notice of Appeal (with appeal fee) in compliance with 37 CFR 41.31; or (3) a Request for Continued Examination (RCE) in compliance with 37 CFR 1.114. The reply must be filed within one of the following time periods:							
	a) The period for reply expires 3 months from the mailing date of the final rejection.						
b) The period for reply expires on: (1) the mailing date of this Advisory Action, or (2) the date set forth in the final rejection, whichever is later. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of the final rejection.							
Examiner Note: If box 1 is checked, check either box (a) or (b). ONLY CHECK BOX (b) WHEN THE FIRST REPLY WAS FILED WITHIN TWO MONTHS OF THE FINAL REJECTION. See MPEP 706.07(f).							
Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).							
NOTICE OF APPEAL 2. The Notice of Appeal was filed on A brief in compliance with 37 CFR 41.37 must be filed within two months of the date of filing the Notice of Appeal (37 CFR 41.37(a)), or any extension thereof (37 CFR 41.37(e)), to avoid dismissal of the appeal. Since a Notice of Appeal has been filed, any reply must be filed within the time period set forth in 37 CFR 41.37(a). AMENDMENTS							
3. The proposed amendment(s) filed after a final rejection, but prior to the date of filing a brief, will <u>not</u> be entered because (a) They raise new issues that would require further consideration and/or search (see NOTE below);							
(b) ☐ They raise the issue of new matter (see NOTE below); (c) ☐ They are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for							
appeal; and/or (d) They present additional claims without canceling a corresponding number of finally rejected claims. NOTE: <u>See Continuation Sheet</u> . (See 37 CFR 1.116 and 41.33(a)).							
 4. ☐ The amendments are not in compliance with 37 CFR 1. 5. ☐ Applicant's reply has overcome the following rejection(s) 	121. See attached Notice of Non-C	ompliant Amendment (PTOL-324).					
6. Newly proposed or amended claim(s) would be a the non-allowable claim(s).		e, timely filed amendment canceling					
7. For purposes of appeal, the proposed amendment(s): a) will not be entered, or b) will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended. The status of the claim(s) is (or will be) as follows: Claim(s) allowed:							
Claim(s) objected to: Claim(s) rejected: <u>1-9</u> .							
Claim(s) withdrawn from consideration: AFFIDAVIT OR OTHER EVIDENCE							
 The affidavit or other evidence filed after a final action, because applicant failed to provide a showing of good are and was not earlier presented. See 37 CFR 1.116(e). 	out before or on the date of filing a land sufficient reasons why the affida	Notice of Appeal will <u>not</u> be entered wit or other evidence is necessary					
 The affidavit or other evidence filed after the date of filing a Notice of Appeal, but prior to the date of filing a brief, will <u>not</u> be entered because the affidavit or other evidence failed to overcome <u>all</u> rejections under appeal and/or appellant fails to provide a showing a good and sufficient reasons why it is necessary and was not earlier presented. See 37 CFR 41.33(d)(1). The affidavit or other evidence is entered. An explanation of the status of the claims after entry is below or attached. 							
REQUEST FOR RECONSIDERATION/OTHER 11. The request for reconsideration has been considered but does NOT place the application in condition for allowance because: See Continuation Sheet.							

CHRISTOPHER RODET
PRIMARY EXAMINE

13. Other: ____.

12. Note the attached Information Disclosure Statement(s). (PTO/SB/08 or PTO-1449) Paper No(s). _

Continuation of 3. NOTE: the amendment at line 8 of page 82 is without basis in the specification because the specification examples only dsiclose a thickness of "1.0 μ m". The proposed amendment of "1 μ m" includes values near 1.0 μ m, such as 1.1 μ m. This is broader than the disclosure.

Continuation of 11. does NOT place the application in condition for allowance because: Applicants certified translation of the priority document is not sufficient to overcome the rejection because Yamazaki has an effective date of 19 April 2002 under section 102(e), which is before the effective date of the section 119 priority claim. The rejection cannot be overcome by the certified translation and priority claim.

The declaration under Rule 132 is also not persuasive because it is unexecuted.

Notice of Non-Compliant Amendment (37 CFR 1.121)
